Dear Merchant or Sponsor:

BirdCOR's 5th annual Rubber Duck Race is scheduled as a culminating element of Fairport Canal Days. Funds raised will support non-profit service-learning programs for youth and teachers in our area. We also donate \$1 per ticket sold by local merchants to the Fairport-Perinton Merchants Association. It is our goal to again give away over 100 prizes.

NOTE: New deadlines and plans for advanced ticket sales require us to compile the prize list early for the 2008 race. Prizes must be in the form of certificates/vouchers or gift cards (which we will award to winners at the event and mail to those not on hand at the time).

NEW: BirdCOR's new sponsorship levels and benefits are described at www.birdcor.org, where you can also see images and accounts of the Duck Race.

Please mail your contribution by **January 22nd** or call to have it picked up.

Thank You!
